

The Struthers School system, since its inception, has served as an educational landmark in northeast Ohio with quality, highly motivated teachers and professionals with outstanding support from parents and the community.

It is an honored responsibility to continue this tradition through The Struthers Alumni Association.

In 2002, complimenting the city's Centennial, the Struthers Alumni held it's first event. Due to the success and overwhelming support of the reunion, the association formed to unite alumni in our support to the graduating seniors of Struthers High School.

In 2003 the Struthers Alumni awarded 2 scholarships and has awarded 2 scholarships each year since.

MISSION STATEMENT

The Struthers Alumni primary mission is dedicated to provide support in the continued education through a scholarship program presented to the graduating seniors of Struthers High School.

Our partnership is dedicated to the tradition of our community and school system to nurture this development of responsible, contributing citizens in a growing and ever changing world. With strong support and fiscal responsibility by alumni, the tradition of this great community and school system can be maintained for many future generations.
